WEDNESDAY, JAN. 23, 1861. Everything in this stapendous juncture the Ledger (why not call it Bonner's Ledger adeo scopulos, &c. or as translated: ads upon the Border Slaveholding States at once, for the "arms and the hero" belong I they but stand firm and co-operate in the together?) a thing not for the usual newspaper spirit of loyalty, just and effectual guarantees can be obtained from the North, the people of thy of the success that makes his way blossom, hall once more the flag of their country, extremes his regard to the high intellectual, literary, I regard the question of a convention as see falter. "Virginia," says the Washington | fireside-religion among the masses. Star, "is promptly inaugurating the movement ment to abstain from hostilities nutil the Box- Mr. Bonner,

purpose, but States do nit always act according to their own interests. Most certainly it is greatly for the interests of Comissions but to second early. It is consistent to consist the interest of Comissions were to second as all. It is for the interest of Comissions were to second as all file for the months of the should are and with the country show would undoubtedly threates to close them as none capasin the commerce of any State that might be so unfortunate as to official bert will be the should are the should are should get annex proposed in a late number of the Ledger, of the should are the should get annex proposed in a late number of the Ledger, we have no closely, that, upon the pre-start of princip hereof for the response of the book, that, upon the pre-start of princip hereof for the pagement of here and planted upon the whole commerce of the river, and plantage in the commerce of officially and the plantage in the commerce of the months of the commerce of the river, and plantage in the commerce of the month of the elimination of the United States of the commerce of the river, and probably the would an assume and evidence of the interest of the plantage in the commerce of the river, and probably desired in the commerce of officially and the commerc

ive unless he be a citizen of the United

The repudiators first repudiated debts to the non-elaveholding States, then they repudiated in behalf of their banks the obligations of specie payments, and now they are repudiating their dues to one another. The Savings Bank of Charleston has suspended the payment of deposits, holding out no encouragement to the thousands of poor men and women and orphana, whose little all was invested in that institution for aafe keeping, that a dollar will ever be refunded.

Deposits in savings banks are usually re
dented to bring onrelves to believe that the people of Memphis, always
deemed so loyal, can tolerate any such a highhanded proceeding, such a wrong and insult
to all the States that nee the Mississippi river
found call a Convention, and under its provisions no vote can

and happy termination, without the destruction contributors to determine line. We are sorry, of the Union. It is the plan of indeed, that I'resident Buchanan cannot lead the secording States and the General Government. 'Pity the sorrows of a poor old man,' the secording States and the General Government line. We are sorry, indeed, that I'resident Buchanan cannot lead trived to get some twenty or thirty thousand brothers into such confusion and discord. I see we holding States can demand in a frawholding ternal epirit of all the authorities of all the rest of the States that they will, in a National Convention, consider the existing condition of the Union, and remody the cribs by the adoption. wm. C. Bryant are three names that might vention, consider the existing condition of the Union, and remedy the evils, by the adoption of the Cristenden propositions or whatever else may prove satisfactory to those who simply core Ritchie, Alice Carey, Sallie M. Bryan, and the Union, the institution of Southern slavery.

Wm. C. Bryant are three names that might give the Ledger a reputation—cach one by from the North, with the intent to kindle in our midst the fires of servile insurrection and with the avowed purpose of carrying fire to the dwell inset, poison to the wells, and desolution to the homes of Southern men, renders preparations to meet such events of vital necessity to our safety, and desolution to the homes of Southern men, renders preparations to meet such events of vital necessity to our safety, and desolution of Southern slavery. Union, the institution of Sonthern slavery

Browne, and others named and unuamed,

The recreant Southern Senature as to bring boats to there as they are brought to on, then they repudiated their ton also wholding States, then they at Vicksburg. This really seems almost inof a Convention by the Legislature, without the
credible. It is hard to bring ourselves to beconsent of the people, is a usurpation of power,
would be derived from the support of them by the

red as sacred. There are thousands of and tumble the obstructing battery into the tions, in the hope of bringing Kentucky to the lamities are impending and unparalleled dan

thorized to suspend specie payments for their notes, issue twenty millions of dollars in those notes, issue twenty millions of dollars in those notes just as conveniently as any smaller amount? And can't she, now that she has second from the Union and the Constitution, make the paper of her suspended banks, or any other paper however dirty and ragged, a support of the paper of her suspended and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support of the paper however dirty and ragged, a support the paper however dirty and ragged and paper however di

Way is fit that mone of the State Legislatures, which resolve against the coercion of
Secoding States, resolve against the lawless
seizure of the Government's forts, armories,
munitions, custom-houses, post-offices, navy
rards, revenue custers, and ships of war by
the authority of States out of the Union and
States in the Union?

The New Orleans Crescent thinks that

As the bunted hart pante for the water brok" at the wild heres, just captured, pants to carser mere in unfectered freedom o'er his nativa meant to come again, about the come again, and then greeted the Union with tremendous cheers.

If Christian shall ever go for Disunion, she captured the come again, and only the properties in most realized to be free. Fellow citizened to the desert and the jumple—so have simplifying parted to be free. Fellow citizened to the most point of the desert and the jumple—so have incompliant parted to be free. Fellow citizened to the fine to change her name.

The klepublicans carried the city of New Haven, Conn., in August and November, but their opponents have now carried it by a majority of five hundred. Even New England is coming right. All that she requires is a little time. And what sense is there in precipitation where the mightiest interests of the world are at stake?

The Charleston Moreury promises the highest of rededs. At yes, it may perbay, be not attached to the conflicting judgment of the Federal or State authorities and Sinte authorities should carefully aletain from all action tending to further irritation or discovery, that the Union (the States should be restored; and whereas, the mide of reconciling and migusty time desertion, which threaten still further to change her name.

If Christian shall ever go for Disunion, she was a first to change her name.

If Christian shall ever go for Disunion, she was a first to change her name.

If Christian shall ever go for Disunion, she was a first to change her name.

If Christian shall ever go for Disunion, she whereas, the mide of the discoution which threaten still further to change her name.

If Christian shall ever go for Disunion, she whereas, the mide of the fraternal relation of the states in union, and which threaten and dissolve the fraternal relation of the States is housed to have a fready partially dissorated in the mide of the Christian shall ever go for Disunion, she whereas, the mide of the fraternal relations o

The citizens of North Alabama retuse to submit to the ordinance of Secession, and Mr.

Yencer says that South Alabama will competable them. Ab! is there to be correion in the case?

The who whole of the fierr chivalry of the

Mr. Cissell meant by the "status of possession," and whether the resolutions were lutended to endorse the action of South Carolino in its conduct toward Mr. Mind and Carolino in its conduct toward Mr. All Mr. Cornell & JEFFERGON CORNER OF FOLERIL toward Major Anderson and the firing upon the vessel conveying reinforcements and supplies to

after clause together, but certainly there is a future will be oracutarily and several money-mania North and monomania—South America: the Ledger survives treasnry and cabinet, bank and—Bunker Hill monument to prospect is money-mania north and monomania—South the question, "What if Kentucky calls a Convention?" Opening the book the line at the top of the Federal Government already seized, as the seeding of a military force to retake it would cause bloodshed and destroy the hat hopes of personal property of the page was the 500th of the fourth Book of the personal property, and should interfer with the property, and servine the property of the fourth Book of the Federal Government already seized, as the selfonce of a military force to retake it would cause bloodshed and destroy the hat hopes of personal property, and servine treatment of the property, and servine treatment of the property, and servine treatment of the property of the Federal Government already seized, as the seeding of a military force to retake it would cause bloodshed and destroy the hat hopes of personal property of the Federal Government already seized, as the seeding of a military force to retake it would cause bloodshed and destroy the hat hopes of personal property of the Federal Government already seized, as the seeding of a military force to retake it would cause bloodshed and destroy the hat hopes of personal property of the Federal Government already seized, as the seeding of a military force to retake it would cause bloodshed and destroy the hat hopes of personal property of the Federal Government already seized, as the seeding of a military force to retake it would cause bloodshed and set to hore who have vorm the True.

We have the privation of the property of the Federal Government already seized, as the seeding of a military force to retake i of this world-wide circulated sheet, and see that our Iriend Bonner does not strike his flag and think of seceding, but he strikes us with she refuse to call a Convention," and the answer ment could be made. If, however, the Souther ment could be made. If, however, the Souther ment could be made. If, however, the Souther ment could be made. Crittenden resolutions even for Keniucky whet confederacy, but was for her exercising her independent sovereignty.

Mr. Fisk said the preamble committed the S the Cotton States will on the strength of such guarantees rise up in their majesty and joyfully a business and material point of view, but for will be reconciled, peace will be restored, and the United States collects its revenues and carries on doubt much whether it will pass even the House. Its postal affairs there the same as before. Ite will be preserved and perpetuated. If the Boris not essential, but in a paper intended for the will be preserved and perpetuated. If the Border Slaveholding States falter, and fail, the Union is lost irrecoverably. But there is glossions to hope that they will neither fail nor falter. "Virginia," says the Washington the same of the household and the recognized nor falter. "Virginia," says the Washington to the same of the household and the face of facts.

In the was are so anxious to carry out the prescriptation by inflaming the passions and projutices of the people will therefore be deprived if the opportunity of playing the principle and in the face of facts.

Mr. Roussean took strong ground against the deem groupe and making matters were than they will be principle and in the face of facts.

XXXVIII CONGRESS—SECOND SESSION.

Tuesday's Proceedings—continued.

WASHINGTON, Jan. 22.

Senate.—Mr. Saulsbury presented memorials from the Legislature of Delaware, directing the Representatives and Senators to use their best efforts for the passage of the Crittenden resolutions, or some other measures for asving the Union. Ordered to be printed.

Mr. Bigler presented a petition, asking the House for the passage of the Crittenden resolutions. Also, the proceedings of a certain meeting in Pennsylvania.

lowing:
That lack of unanimity on the passage of the Seession Ordinance indicates a difference of opinion not as to the rights claimed but as to the nude of redress, and it being desirable to give a proper extension to the feeling of all the Convention to sastain the artlin of the State, therefore—

Resolved That all volving for or assimpt the sastain the artlin of the State, therefore—

Resolved That all volving for or assimpt the sastain the artlin of the state of the sastain the artlin of the sastain the sastain the artlin of the sastain of redress, and it being desirable to give a proper extension to the feeling of all the Convention to sustain the arthor of the State, therefore—

Resolved, That all voting for or against the passage of the ordinance will slight the same as a pledge of unanimous determination of this Convention to sustain and defend the State in this course without regard to Individual approval or disapproval.

This was signed by all except 12. Alex, II. Stephens, Judge Stephens, and Governor Johnson signed the ordinance.

Washingtox, Jan. 22.

In anticipation of official information of the secession of Georgie, a majority of the Representatives already signed a letter of withdrawal from the Ilouse. Hill and Hardeman have not yet assented.
